

## Module catalog: First Major Applied Geology (AG)

Module Label	Course	SWS				Total ECTS	Workload distribution per semester in ECTS-Points				Type and extend of the exam/academic achievement	Factor Module grade
		V	Ü	P	S		1. Sem	2. Sem	3. Sem	4. Sem		
AG-V1: Foundation engineering and statistics	Methods of engineering geology I	1	1			5	2,5				TP: Exam 60 Min.	1
	Data evaluation, statistics, modelling and exercises		1		1		2,5					
AG-V2: Advanced engineering geology and hydrogeology	Hydrochemistry				2	5	5				TP: Exam 60 Min.	1
	Advanced engineering geology	2			1							
AG-E1: Groundwater modelling	Groundwater modelling		2		2	5	5				TP: Report (max. 10 pages)	1
AG-V3a: Engineering-geological calculations*	Engineering-geological calculations				2	5		2,5			TP: Exam 60 Min.	1
	Methods of engineering geology II	1	1					2,5				
AG-V3b: Environmental Hydrogeology*	Tracers, Isotopes & Natural Attenuation		4					5			TP: Exam 60 Min.	1
AG-E2a: Work in applied geology**	Engineering-geological exercises and evaluations		4			5		5			TP: Report (max. 10 pages)	1
AG-E2b: Work in applied geology**	Hydrogeological exercises and evaluations		2		2			5			TP: Report (max. 10 pages) with 30 Min. presentation	1
AG-V4a: Karsthydrogeology*	Karst and Hydrogeology		2		2	5		5			TP: Report (10-15 pages)	1
AG-V4b: Measurement technology*	Hydrogeological sharding, measurement & evaluation		2		2			5			TP: Report (10-15 pages)	1
AG-F1: Methods of applied geology	Methods of applied geology				4	5			5		TP: Exam 60 Min.	1
AG-F2a: AS-F3 Energy resources***	Geo-Energy resources		1		1	5			2,5		TP: Exam 90 Min.	1
	Geothermal energy / developement and usage		1		1				2,5			
AG-F2b: PG-F1: Petrology IV ***	Analytical methods of petrology		3	1					5		TP: Exam 60 Min.	1
AG-F2c: AS-F2 Sedimentary Geochemistry***	Geochemical Proxies in Palaeoenvironmental Analysis	2							2,5		TP: Exam 60 Min.	1
	Geochemical Proxies in Palaeoenvironmental Analysis- lab	1	1						2,5			
AG-F3a: Geohazards or modelling with seminar applied geology *	Geohazards and mass movement	1			1	5			2,5		TP: Exam 60 Min.	1
	Seminars of applied geology				2				2,5			
AG-F3b: Geohazards or modelling with seminar applied geology*	Modelling	1	2						2,5		TP: Report (15-20 pages)	1
	Seminars of applied geology				2				2,5			
		4-9	10-27	0-1	14-25	45	15	15	15	0		
		Total SWS: 37										

\*The students have to choose either path a or path b.

\*\*The students have to choose one of the additional modules.

\*\*\*The students have to choose one of the three modules.

Module catalog: Second Major Applied Geology (AG)														
Module Label	Course	SWS				Total ECTS	Workload distribution per semester in ECTS-Points				Type and extend of the exam/academic achievement	Factor Module grade
